Join us on Monday, November 7th, at 5 PM, for our 5<sup>th</sup> annual premier fall social event at the world-renown Victory Brewing Company!

This year, the Delaware Valley and Wilmington Sections return to Victory Brewing Company, manufacturer of highly acclaimed, award winning beer. This event continues to be very popular... Don't delay; reserve your spot, now!  
Based on positive feedback from past participants, this event features:

- Informative, entertaining staff explain types of beers and the brewing process
- Networking opportunities
- Socializing
- Casual, relaxed atmosphere
- Open buffet of tasty food
- Insanely delicious beer

**Victory continues to  
expand to meet  
increasing demand**

Victory is, first and foremost, a state-of-the-art brewing plant. It is unlike most trendy brew pubs and microbreweries, whose very limited manufacturing capability is secondary to the restaurant and bar operation. To meet ever increasing demand, Victory's brewery expanded its annual capacity to over 100,000 barrels!

Their highly desirable, award-winning beers are marketed in at least 23 states and are known around the world. Victory's Festbier was featured on TV's "Cooking with Emeril" and in Imbibe Magazine's 50 Best Seasonal Beers. Their Prima Pils has been named one of eight great pilsners of the world by Gourmet Magazine.

Another highlight... Our Victory hosts are always informative and entertaining. Who can forget 2008 cooking demo (Drunken Mussels) when our animated host, Matt, busted open a bottle of Golden Monkey with a machete? We've brought back the live cooking demo this year (Golden Monkey Chicken Serrano Satays).

The folks at Victory have rolled out the red carpet for us, creating a unique, fun event filled with food/beer pairings, buffet, and an entertaining cooking demo. Victory no longer offers tours (see the message from their founder: <http://victorybeer.com/blog/difficult-decision/>). However, Victory experts will be available to discuss the finer points of beer, beer styles, and the brewing process.

After the event, stay to watch the Eagles play the Bears on Monday Night Football.

If you haven't been, come see what everyone is talking about. Bring a friend, co-worker, or spouse. Plan to beat the traffic by arriving early. Please join us for the complimentary beer tasting, food, and socializing that follows.

***Complimentary beer tasting is included with food pairings. Additional beer is available at cash bar throughout the evening.***
