

## DVS Officer Elections

It is that time of year again!

We select our Board of Directors and Executive Officers for the 2021 – 2022 year.

The election will be held at our monthly planning meeting on June 2<sup>nd</sup>.

Anyone wishing to be on the ballot and serve is welcome to do so. Just contact our current Chair at [cjowl@verizon.net](mailto:cjowl@verizon.net) with your expression of interest. The Board meets monthly (on the first Wednesday of each month at 6:30 pm) for an hour or so. All board members are expected to attend at least 60% of these meetings. Additional time is up to the individual members.

It is an excellent opportunity to develop new skills in event planning, communications, mentoring and many others depending on your interest level. In addition, you will enjoy the camaraderie of your fellow chemical engineers.

Our By Laws permit up to 25 members on our Board of Directors. And, a subset of that is the five Executive Officers.
